HELPING TO MAKE A DIFFERENCE

Music can change lives. You have probably seen for yourself what a difference music can make in the life of a young person. Multiply that by thousands upon thousands. That's the goal, and the reality, of the Los Angeles Philharmonic's music education programs. For the 2008/09 season, the LA Phil presents concerts of classical, jazz, and world music; participatory music programs, seminars, and workshops; and other events at our two iconic venues – Walt Disney Concert Hall and the Hollywood Bowl – as well as at various locations around Los Angeles. Through this expanded array of programs we expect to reach more than 100,000 schoolchildren, teachers, families, young musicians, and concert-goers annually.

Our recently launched Youth Orchestra LA (YOLA) program provides quality after-school instrumental music education to children with the greatest needs in the most underserved communities. YOLA is a leading example of the ground-breaking work the LA Phil is undertaking, and a program that needs your financial support.

Please consider making a donation to the Los Angeles Philharmonic Association. A suggested tax-deductible contribution has been indicated on your renewal form. If you feel you can help us with more, your kindness will be greatly appreciated.

You'll be helping to touch and transform lives.

Thank you!
